

Fra handelskrig til grønn konkurransekraft

Anne Marit Post-Melbye
Zerokonferansen 7. november

Hvordan kutte 9 Gt CO₂?

A welder wearing a yellow protective suit and a dark helmet with a face shield is working in a dark industrial environment. The welder is positioned on the left side of the frame, looking towards the right. To the right, a bright, glowing area of molten metal or sparks is visible, likely from a welding process. The scene is dimly lit, with the primary light source being the intense heat of the work. The text "Grønn industri = konkurransekraft" is overlaid in the center of the image.

**Grønn industri =
konkurransekraft**
